

Food & Beverage / 🌿 Foraging Team

✨ Purpose

The Foraging Team helps bring the wisdom of the wild into the heart of the festival kitchen. By identifying, harvesting, and preparing local plants, this team supports the integration of foraged foods into the menu—emphasizing sustainability, nature connection, and reverence for the land.

🔧 Tasks & Responsibilities

- Assist in identifying and ethically harvesting wild plants for festival meals
- Clean, sort, and prepare foraged plants for kitchen use
- Follow sustainable foraging practices and respect ecological boundaries
- Collaborate with Kitchen Leads to help incorporate wild ingredients into dishes

🕒 Time Commitment

- Ongoing foraging and preparation throughout the season
- Availability as needed during prep days and festival setup
